
High-Temperature Resistant Nordic Folding Container for Highways

Does Nordic cold chain solutions offer insulated shipping containers?

Nordic Cold Chain Solutions offers a wide variety of insulated shipping containers that can meet just about any need. We not only provide sustainable shippers, but we also provide EPS coolers, mailers, and box liners. Our wide selection of products ensures that you can find the proper temperature-controlled thermal packaging for your needs.

What is a Nordic extreme frozen shipper?

Nordic Extreme Frozen Shippers are tested to ship temperature-sensitive products and goods safely and securely. Tested to meet ISTA 7E requirements, Nordic Design-Tested Frozen Parcel Solutions are ideal for pharmaceutical, chemical, biologic, and food shipments. These shippers are available in multiple sizes to accommodate most payloads.

Why should you choose insulated containers?

Whether food, medical products or sensitive goods - our insulated containers ensure reliable temperature maintenance to keep your products fresh and safe at their destination. With high-quality materials and sophisticated design, we combine excellent protection with easy handling and sustainable reusability.

What types of insulated containers are available?

Our huge selection of shippers includes various sizes of EPS (Expanded Polystyrene), Fiberboard, PUR (Polyurethane) and VIP (Vacuum Insulated Panel) insulated containers. They are sold without refrigerants, but if you need those too, check out our Refrigerants pages here.
