## Hotel uses folding containers for retail exchange

Can you put a shipping container outside a store?

Shipping containers are portable and can be moved easily from one store to another. As a non-permanent structure, most landlords won't ask you to sign a new contract to place a shipping container outside your store. Shipping containers provide plenty of storage room.

What is a shipping container?

Shipping containers are a convenient and portable alternative to traditional retail warehousing. Designed to keep cargo safe during turbulent ocean journeys, shipping containers are a reliably weatherproof storage solution for seasonal signage, displays, or surplus stock.

How much can a shipping container hold?

Shipping containers provide plenty of storage room. A 20ft container can store the equivalent of 200 standard mattresses, two compact cars, or 9,600 wine bottles, while a 40ft container can handle exactly twice that amount.

Get top-quality container hotel solutions from the leading shipping container hotel factory, CBOX Container House. Transform your space with our innovative designs.
