# Huawei South Africa solar container outdoor power Procurement

What is Huawei Digital Power Sub-Saharan Africa fusion solar?

Huawei Digital Power Sub-Saharan Africa FusionSolar gathered industry partners and key stakeholders from across Sub-Saharan Africa's Commercial & Industrial (C&I) energy sector as they released an innovative product for the market, LUNA2000-215 Series, the industry's first hybrid air & liquid cooling C&I energy storage solution (ESS).

Who is Huawei Digital Power Sub-Saharan Africa?

Huawei Digital Power Sub-Saharan Africa has been selected as the exclusive original equipment manufacturer (OEM) partner for the Palabora Mining Company (PMC) solar and battery energy storage system (BESS) project, a flagship initiative led by the Mzansi Energy Consortium and Journey 2 Green (J2G).

Why is Huawei partnering with South Africa?

Huawei is fully invested in the success of this partnership, and I will personally ensure our teams provide the support needed from engineering to execution." This collaboration builds reliable, future-ready infrastructure and accelerates South Africa's progress toward energy security.

Why is Huawei thriving in Africa?

This encapsulates Huawei's dedication to fostering growth and opportunity in Africa. Together with partners, it is growing and thriving in the new era of C&I, to light up a greener Africa.
