# Monaco Base Station Room EMS Standard

What is the Monaco fire & emergency service?

The Monaco Fire and Emergency Service was created on 9 June 1909, by Sovereign Ordinance no. 1778 of H.S.H. Prince Albert I. It constitutes the Military Force with the Palace Guards. Its duties involve:

Should a fire and EMS Station serve as a model?

In each of these areas, the fire and EMS station should serve as the model for the community. As with any public or private facility, fire and emergency services stations are subject to theft, vandalism and violence. For staffed stations, these acts are most likely to occur when emergency response personnel are on a call.
