
Power battery OEM pack factory

What is the size of the battery factory?

Our factory has a total area of approximately 36000 square meters. We have more than 20 years' experience in battery application and development. Our main business are battery pack and system development and manufacturing used for; Electric bicycles, electric scooters, and battery pack OEM/ODM ; Energy storage system etc.

What is battery pack manufacturing?

Battery pack manufacturing can be a complex process depending on the size of the pack, the types of battery chemistries used, if a battery management system (BMS) will be used, and whether testing and certification must be done before transportation.

Who is Keheng battery & pack manufacturer?

Keheng is a professional lithium battery cell & pack manufacturer which uses different battery technologies (NMC, LTO, LFP, Sodium Ion). Our engineers team can provide the most cost-effective battery solution with 15 years' project experience in different battery material technology.

What is HV industrial battery pack?

HV industrial battery pack usually start from the 96V, with the integrated design, it widely use on EV, truck, electric boat, etc. and use stainless steel case with IP67 waterproof. Keheng can customize your battery solution based on 3000+ project experience, just send us your requirement to get our best solution!

JB Battery China is OEM & ODM Custom Lifepo4 Lithium Ion Battery Packs | Best 12V 24V 36V 48V 60V Lithium Ion Solar Battery Pack Manufacturer Factory, We Offer Best 12 Volt 24 Volt ...

Looking for power battery pack factory direct sale? You can buy factory price power battery pack from a great list of reliable China power battery pack manufacturers, suppliers, traders or ...

Keheng can provide you with product design drawings within 1 week and samples within 3 weeks. Keheng owns battery cell factory and battery pack factory, dedicate to offer one-stop solutions ...

GeB provides OEM and ODM services for 12.8V customized rechargeable lithium-ion battery packs built with premium 18650 and 21700 cells. Our factory specializes in designing and ...

We provide LiFePO4 26650 cylindrical battery cells and CELL-BMS-PACK Integrated services for the world. PLB can provide detailed and best battery customized solutions according to ...
