
Price of solar panels installed in villas in Eritrea

Does solar-estimate have an editorial advisory committee?

Solar-Estimate.org has set up an editorial advisory committee as part of our commitment to the Quality Solar Initiative. Our editorial advisory committee is comprised of full-time Solar-Estimate staff, as well as independent contributors, who are among the most experienced individuals in the solar industry.

Where can I get solar training?

Solar Energy International (SEI), a non-profit organization, is the oldest and largest solar training provider in the United States. SEI offers NABCEP-accredited courses in solar installation, solar sales, and marketing. Zillow is America's largest real estate website, with data for over 110 million homes nationwide.

What is a NABCEP certified solar installer?

North American Board of Certified Energy Practitioners (NABCEP) is a non-profit body trusted by the U.S. government to set the training and accreditation standards for solar installers nationwide. Using a NABCEP-certified installer is a mandatory requirement for many solar incentive programs throughout the country.
