Browse our selection of electrical inverters from brands like Performance Tool and Tripp-Lite, all with fast and easy shipping Canada-wide.

What is the largest 12 volt DC inverter?

One of these items ships sooner than the other. The AIMS 10,000 Watt Power Inverter is likely the largest 12 volt DC inverter you will find. Capable of producing 10,000 watts of modified sine power, this inverter is the first of its kind. In terms of size and weight, it is far more flexible than any other inverter with the same output power.
